AMENDMENT AFTER FINAL

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This amendment is submitted in response to a final office action in the above case dated June 28, 2005 ("Final Office Action"), in which the Examiner rejected all the claims as anticipated (35 U.S.C. §102) and obvious (35 U.S.C. §103) over cited art. On September 9th, the attorney for Applicants and the Examiner had a phone interview discussing an amendment adding the requirements of claims 10, 32, 54, and 69 to the independent claims 1, 18, 23, 40, 45, 62, and 67. Claims 10, 32, 54, and 69 are canceled. The Examiner indicated that this amendment would be entered because Applicants were adding requirements of dependent claims and that the Examiner would consider the patentability of the amended claims over the cited art. Applicants submit that all pending claims 1-72 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 19.
